

## — PRODUCT GUIDE

# Collagen Key™

## Vegan Collagen Building Blocks

### Unlock Your Natural Beauty.

Skin, Hair, and Nail Health and Healthy Aging

## Why you'll love it

A unique all-in-one formula that helps support the body's natural production of collagen, adding strength and resilience to hair, skin, and nails.\*

### FEATURES & BENEFITS

- Vegan-sourced amino acids to support collagen production\*
- Supports the healthy appearance of hair, skin, and nails\*
- Supports skin moisture, elasticity, and smoothness\*
- Potent antioxidants including vitamin C\*
- Sugar-free formula with natural Peach Berry flavor

### HOW TO USE

Mix one scoop with 8 to 12 fl. oz. of water. For maximum benefit, use daily.

**Mixing Tips:** For easy mixing, use room temperature water for full dissolution, then add ice for refreshment. For bolder flavor, use 8 fl. oz. of water. For lighter flavor, use 12 fl. oz. or more of water. Collagen Key™ may also be blended in your favorite juice or smoothie. To be taken and enjoyed day or night.

### FAQ

#### Q: What is collagen?

A: Collagen is an abundant protein throughout the body, essential for maintaining normal structure and strength of connective tissue, such as bones, skin, cartilage, and blood vessels.

#### Q: What is the difference between vegan-sourced amino acids to support collagen production and animal collagen?

A: Nearly all collagen products on the market contain animal collagen, which is primarily sourced from cows or fish. In order to convert animal collagen, the body must first digest the collagen and then break it down into amino acid building blocks. The body uses those amino acids to create collagen.

Collagen Key™ eliminates the breakdown process by providing vegan-sourced amino acids the body uses to create collagen.

#### Q: Who can benefit from this product?

A: Collagen Key™ helps improve skin health. Both males and females 18 years of age and older can benefit from its use.

## INGREDIENTS OVERVIEW

### Vegan Amino Acid Blend

Amino acids are the building blocks of protein, including collagen. Our unique vegan amino acid blend is utilized by the body to maintain existing collagen levels and replace lost collagen stores, supporting the appearance of resilient, firmer-looking skin and lustrous hair.\*

**Glycine** *A key amino acid found in collagen protein that plays a role in the stability of the protein.\**

**L-Proline** *An amino acid and a precursor for hydroxyproline synthesis that also plays a critical role in collagen stability.\**

**L-Hydroxyproline** *An amino acid that is heavily involved in collagen production and a major component of collagen.*

**L-Methionine** *An essential amino acid that plays an important role in the normal growth and repair of body tissues, maintaining skin elasticity, and promoting healthy hair and strong nails.\**

### Hyaluronic Acid

Important for skin repair and rejuvenation by keeping skin plump and hydrated.\*

### Resveratrol

An antioxidant found in grapes and berries that helps to combat threats to cells and can help keep skin looking and feeling healthy.\*

### Biotin

Also known as vitamin B7, biotin is a water-soluble, essential vitamin that is part of the B complex and plays a critical role in the health of hair, skin, and nails.\*

### Vitamin C

Known for its role in collagen synthesis and antioxidant properties, this nutrient is essential for skin health. Vitamin C is also involved in every step of the collagen production process.\*

## Supplement Facts

Serving Size 1 scoop (3g).  
Servings Per Container 30

Amount per Serving	% Daily Value	
Calories	10	
Total Carbohydrates	3 g	1%**
Vitamin C (as Ascorbic Acid)	180 mg	200 %
